New change in Procedure

Dropping Off Children for classes 3,4,5 & 6

All of the children have settled in well to school. From Monday we are asking that parents and carers say their good byes at the hall door to enable children to walk into school independently. As is the case now, all external doors will be manned by school staff so that no child will be able to leave the building.

Messages for teaching staff can be passed to the office staff or via Mr Cupryk or myself at the hall door. Teachers are usually available after school if you need a quick word.

Collecting Children

From Monday, Class 6 will be dismissed to their parents and carers through the side green gate near the kitchen rather than up the steps into the playground.

Year 1 (classes 3 & 4) teachers have asked that parents and carers try to stand in the same place each afternoon. This is reassuring for your child and helps staff spot you quicker. Please can Class 3 parents and carers stand on the container side of the playground, and Class 4 parents and carers stand closer to the benches.

Thank you. Mrs Swallow

Welcome to St Andrew's CE (VA) Infant School.

We are so pleased you chose our school for your child's education and hope you will quickly feel part of the St Andrew's and St Martin's family. St Martin's is **your** community-centred church and offers you and your family the following...
