

Hello - Class 5

From Mrs Hainsworth

Things I like...

- Handwriting Lessons
- Reading to the class and then you reading to me.
- Science Lessons
- Gardening
- Animals.

I have a lot of pets at my house. Archie is my dog and Charlie is my daughter Fran's cat. We also have 2 budgies, a hamster and a fish pond. The funniest fish is called Dave. I like everything really - the only thing I have ever discovered that I don't like are gooseberries! YUCK!

And Mrs Pearson...

Together we are TEAM 5!

We work together in Class 5. We like to make each other and all of you **smile** every day, as well as doing all our work!

The best thing about Mrs Pearson is she is a whiz at getting things done in a flash.

She works very hard and will always help you whenever you need it.

Mrs Pearson loves cream teas and stock car racing.

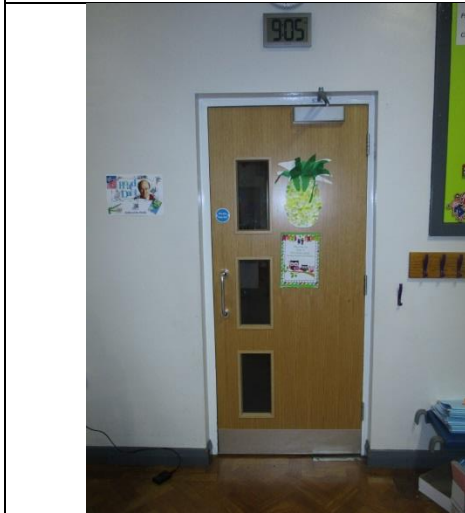

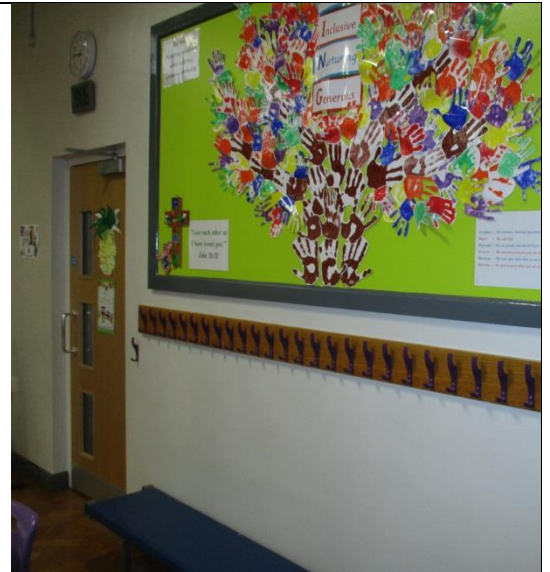

She is also an excellent story teller - just you wait!

You will come to school through the hall door, hang your coat on your peg in the hall, then come into Class 5.

Pegs in the Hall

Class 5's Door

Home time door

At home time you will leave by Class 5's exit, which comes out next to Class 2, down the side of the school building.

Our first topic after the summer holidays is 'Wriggle and Crawl'. You will learn all about mini-beasts and the habitats they live in. Start spotting them now. Maybe you can find 10 different mini-beasts and make a booklet about them to bring and show me on your first day back.

We hope you are looking forward to Year Two.

We don't want you to worry about a thing, as we will be there to help you.

We have lots of fun and exciting topics over the year, including Castles and Pirates.

In Year Two, you might want to be a worship welcomer and help Mrs Swallow set up the hall for worship on a Friday morning.

We are looking forward to seeing your smiling faces in September, ready to start a new year at school.
