Sticky Knowledge

Parents / Carers can help children by discussing these essential facts and skills with their children.

Science

Geography

Art

As scientists, we will:

- Group animals according to their features
- Learn about animal diets
- Identify and compare animal and human body parts
- Explore our senses

As geographers, we will be:

- Identifying animal habitats including hot and cold places
- Learning the names of some of the continents of the world and locating them on a world map e.g. Africa and Asia

As artists, we will be:

- Identifying primary and secondary colours
- Colour mixing
- Exploring different art pencils to create different lines and textures
- Using different media to collage
