

Bird food cakes

 Caution: Check for allergies.

You will need (for one cake)

- 1/2 cup lard or suet (room temperature)
- 1 cup of mixed bird seed, unsalted peanuts, grated cheese, raisins, oats, stale bread and cake
- mixing bowl
- yoghurt pot
- string

Method

1. Mix the ingredients together in a bowl.
2. Make a small hole in the bottom of the yoghurt pot and thread a loop of string through the hole.
3. Tie a knot to secure the two ends of string inside the pot.
4. Pack the pot tightly with the mixture and then place in the fridge overnight to harden.
5. Push the hardened mixture out of the yoghurt pot, cutting the pot if needed.
6. Hang the bird food cake in a tree or shrub.
