

Snow dough 1

Ingredients

- 240g plain flour
- 120g salt
- 1tbsp vegetable oil
- 240ml warm water
- silver glitter

Method

1. Mix the flour, glitter and salt in a bowl.
2. Mix the vegetable oil and warm water in a jug.
3. Add the oil and water mixture to the flour, glitter and salt mixture.
4. Mix well and knead to form a dough.
5. If the dough is too sticky, add a little flour.

Snow dough 2

Ingredients

- 2 cups self-raising flour
- 1/4 cup baby oil

Method

1. Put the flour in a bowl.
2. Add the baby oil.
3. Mix them together to form a dough.
