

St Andrew's CE (VA) Infant & Junior Schools

Covid Outbreak Contingency Plan – Sept. 2021

<p>When should my child self-isolate or miss school?</p> 		<ul style="list-style-type: none"> All children MUST attend school unless they are ill. From 16th August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact, has Covid. Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.
		<ul style="list-style-type: none"> If your child develops Covid symptoms at home, they should stay at home and should book a PCR test, NOT a Lateral Flow test. If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test. If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PCR test.

Community Covid Risk	Description	Actions
 <p>Low Community Transmission. No School Cases.</p>	<ul style="list-style-type: none"> There have been no cases of Covid within school for 10 school days. Cases of Covid locally are low and/or stable. Hospitalisation/ deaths due to Covid nationally are low. 	<p>No Covid measures are necessary beyond:</p> <ul style="list-style-type: none"> Reminding children of good hand-hygiene. Increasing cleaning regimes Ensuring good ventilation encouraged where practical. Ensuring children / staff stay at home if they have Covid symptoms (and book a PCR test). Asking parents to let us know if there is a case of Covid in the household. Risk assessments in place for clinically extremely vulnerable children/ staff. Staff will continue to test themselves using lateral flow tests.
 <p>Rapidly Rising Community Transmission</p>	<ul style="list-style-type: none"> No current Covid cases have been recorded at school, but... Cases of Covid are rising rapidly in the community causing disruption to other local schools. Calderdale Public Health / Public Health England/ UK Government issue warnings of expected local/ national infection wave 	<ul style="list-style-type: none"> Whole-school assemblies are replaced with Collective Worship for KS1/Lower KS2 and Upper KS2. Clinically Vulnerable staff meet with Line Managers to review their individual risk assessment & discuss additional protection (e.g. use of face coverings, reduction in movement between classes/ groups).

Number of Cases:	Description:	Actions:
 <p>A single child tests positive in a class</p>	<ul style="list-style-type: none"> • A single child tests positive for Covid in a class. • There are fewer than 5 cases in the class. • No other classes affected. 	<ul style="list-style-type: none"> • The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it • The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. • Likely contacts will be contacted by NHS Track & Trace and advised to book a PCR Test. The school will contact parents to advise this if close contacts are known. • Children contacted by NHS Track & Trace do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have Covid Symptoms.
 <p>3 children or staff in a single class test positive within 10 days/5 or more in a single year group test positive within 10 days</p>	<ul style="list-style-type: none"> • There have been more cases of Covid across a class within 10 days which could mean that Covid is spreading within that group of children. 	<ul style="list-style-type: none"> • As above for each positive case. • The school will discuss the outbreak with Public Health Calderdale and agree strengthening protective measures <u>for 10 school days</u>, which may include: <ul style="list-style-type: none"> ○ Re-introducing staff face masks for corridors & communal areas. ○ Adapting, Limiting or postponing indoor sporting events, trips, open days and performances. ○ Reverting to class based Worship in classrooms. ○ Reducing the amount of classes staff work across. ○ Resuming twice-weekly Staff Lateral flow testing.
 <p>Covid cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> • Despite the measures indicated above, Covid cases within the school continue to rise within a 10-day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school. 	<ul style="list-style-type: none"> • Incident Management Team meeting held between the school and Calderdale Public Health to agree further measures, <u>for a further 10 school days</u>, including: <ul style="list-style-type: none"> ○ Re-introducing class bubbles. ○ Reverting to staggered school lunches. ○ Reverting to staggered breaks. ○ Reverting to staggered start and end times ○ Limiting all non-essential visitors to school. ○ Postponing all non-essential events. ○ Re-introducing remote learning for individual classes for 10 school days considered.

The school will inform parents of any changes to Covid measures should these be needed.
