We've tried to answer all the questions parents have asked us about the provision we have for children with Special Educational Needs. We hope this is clear and easy for you to understand. If you would prefer to talk to one of our friendly, skilled and experienced staff, please telephone the school and we'd be really happy to talk to you.

How do we make sure all children reach their potential?	<ul style="list-style-type: none"> • Access to a broad, balanced curriculum which is well differentiated and takes account of different learning styles and children's interests. • Well-staffed classrooms – at least one teacher and one support assistant (minimum 15 hours per week in KS1 and full time in the Foundation Stage) in each class. • Quality of teaching and learning well monitored by highly experienced leaders. Quality of Education deemed to be 'good' by OFSTED June 2023. • Individualised targets for all children. • Rigorous pupil tracking system which ensures all children are monitored. Professional dialogue about every child in school every term ensures any difficulties are identified early and suitable provision put in place. • Detailed programme of reviews with parents and professionals: x3 Pupil Progress consultation evenings a year and a report feedback meeting; termly reviews for all children on the SEND register and comprehensive annual reviews. Parents' views are very important to us. • Children's views are very important: invited to consultation evenings, SEND reviews, help to formulate one page plans, active school council and annual questionnaire • Currently, a team of HLTAs, Cover Supervisors, Teaching Assistants and Special Educational Needs Teaching Assistants to meet children's' individual needs. • Carefully devised behaviour policy created by the children in school. • Long established, acknowledged and celebrated ethos of inclusion and equality. • SEND HLTA working with the SENDCo.
How do we help a child with physical needs?	<ul style="list-style-type: none"> • Disabled toilet and wall grips around school (stairs, toilets). • Two ramp access points into school. • Every class has access to equipment which helps support writing: a variety of pencil grips; a variety of pencils and other writing apparatus and a range of ICT equipment. • Sloped writing boards. • Teaching Assistant trained in Motor Movement (gross and fine motor movement exercises delivering individualised programmes). • Use of differentiated sports equipment in PE – e.g. specialist balls • A Teaching Assistant trained in moving and handling. Working closely with outside agencies e.g. occupational Therapy.
