Uniform Policy

Uniform Policy

Aims

Our policy for children's uniform is based on the belief that a school uniform:

- ✓ Promotes a sense of pride in the school.
- ✓ Provides our children with a sense of belonging and an identity with St Andrew's Church of England Infant School
- ✓ Ensures children are seen as equals to their peers.
- ✓ Supports positive behaviour and discipline.
- ✓ Protects children from social pressures to dress in a particular way.
- ✓ Encourages cohesion and promotes good relations between different groups of pupils.
- ✓ Is regarded as suitable and is good value for money.
- ✓ Supports effective teaching and learning.
- ✓ Is non-gender specific to promote equality.

Principles

- All children wear school uniform.
- We pride ourselves on high standards of appearance of the children and a smart uniform provides visitors with a good impression of the school.
- Our uniform is practical and smart everyday wear for young children and has been designed with health and safety in mind. It is not designed to be fashionable.
- A uniform is easily identifiable when out on trips/working with other schools, assisting staff in keeping our children safe.

Strategies for ensuring all pupils wear consistent uniform

- Prices are kept at a minimum and reviewed regularly to ensure best value.
- Parents/carers are informed of the school uniform prior to applying for a place at the school through the school website.
- Parents/carers who have accepted a place for their child at the school are informed of the uniform at the New Parents' Meeting and are given details of our uniform.
- Parents/carers accepting a place for their child mid-year are informed of the policy.
- Regular reminders are given to parents/carers about correct school uniform through newsletters.
- If a child attends school in inappropriate footwear (trainers/boots/wellies) they will be asked to change into their black school pumps indoors to look smart.
- If a child attends school in other inappropriate uniform, children will be loaned a pre-owned item of school uniform to wear for the day.
- For children who frequently wear incorrect/unsuitable items of school uniform parents will be contacted by the Head Teacher.
- As a school we are considerate if a child does not adhere to the school uniform policy and try to find out what is happening so that where possible a problem can be remedied. With young children, lack of appropriate uniform is the responsibility of the parent/carer so the Head of School will discuss the issues with the parents and agree a suitable resolution. Parents are welcome to come into school to discuss these issues.
- All items of clothing, shoes, bags and PE kit must be named.
