CHANGE TO PAYMENT/TEXTING SERVICE

Dear Parent/Carer,

We will be changing our payment/texting service from Teachers2parents & School Money to My Child at School (MCAS) from September 2025.

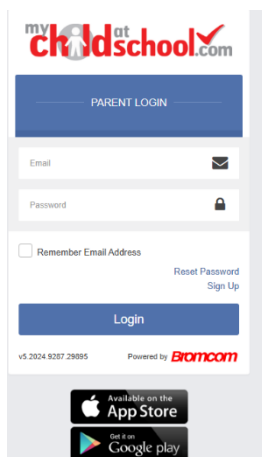

This system will work with our current management information systems and ensure payments and communications are fluent. We are pleased to let you know that MCAS allows us to send communication to multiple contacts (any adult with parental responsibility) unlike Teachers2Parents, where we can only send to the first contact on the list.

For any parents who currently have children at Brighouse High School, you will be able to view all your children in one app.

Going forward, parents will be able to update contact details on this app rather than having to contact the school office.

In the next few weeks, we will be sending out a link via email for you to register in preparation for September. The link will only be live for 24 hours so please ensure you register promptly once this is received. You will not be able to make payments, book clubs etc. from September until you have completed registration. If you have any issues with registering, please contact the school office.

Below is a picture of the app for your reference:

✉ office@standrews.calderdale.sch.uk

Please continue to use Teachers2Parents & School Money until the end of the academic year.

Thank you for your support in this transition.

Kind regards,

Julie Hall
School Business Manager
